The Bunkhouse forms part of the main building and has full use of all the building facilities including kitchen, dining area and bar.

There are two bunk rooms; an eight man and a four-man room. We only book the rooms out, rather than the beds. This guarantees privacy for your group.

If you would like to hire the building exclusively for your group, it is a condition of booking that you hire both rooms.

We are happy to discuss and consider your requirements whatever your event. Please feel free to get in touch.
